ACCESSORIES

Glasbord Standard Moldings

Standard moldings are contractor grade moldings perfect for use with FRP panels. Crane Composites Division Bars feature patented expansion control guides to assist with proper FRP installations. Available in 10' lengths - call for additional availability.

Silhouette Trims

Silhouette Trims offer a narrow profile to minimize the seam. Available in standard colors or complementary for DESIGNS panel installations. Available in 10' lengths.

Beaded Panel Molding

Specially designed beaded division bar to complement our beaded panels, which are part of the Innovative Finish product link. Available in 10' lengths.

Crane Composites offers installation accessories and tools to complete your installation.

Aluminum Trims

Standard Aluminum Trims are designed to complement Innovative Finishes DESIGNS wall panels. The Aluminum Trims provide a contrasting and upscale look. Available in 10' lengths.

Kemply Panel Moldings

Kemply moldings are contractor grade moldings that accommodate panels up to 0.437" thick as a one-piece or two-piece molding. Available in 10' lengths and intended for use with **KEMPLY** panels.

Installation Accessories

Crane Composites offers installations accessories and tools to complete your installation.
